Re: New England TeleData

To Whom It May Concern:

This letter of recommendation comes with the highest praises.

I have been working with Tony at New England TeleData for over 7 years. This company has always been there when we needed them and gone out of their way to make sure all of our needs are met quickly and efficiently.

I would not think twice about whom to call if I had any problem with my phone system or internal wiring of phone or data.

Most sincerely,
